

BUILD A MIRACLE

ST GREGORY THE GREAT BUILDS MIRACLES

No one should live this way.
Thanks to you many no longer do.

These two women with Father Nick have moved from shacks into beautiful new homes, thanks to St. Gregory parishioners. This year, they travelled North to thank Father and other church leaders. They were overcome with emotion as they spoke of how their lives had changed completely.

Father John went to Mexico to meet many of the families we have helped. He was able to pray over this very sick baby while visiting this family in their shack. While he was praying, the mother's tears were falling onto his hand. (This picture is blue because a blue tarp serves as their roof.)

\$25 Pays for one square foot of a home for a family!

\$10,000 Pays for an entire 2 bedroom home

100% Of your donation goes towards building homes or education

WAYS TO HELP

Come and build with us
Donate money for materials

Sponsor a student for
High School or College at
\$1,500 a year
